

Hello, my name is Pastor Billy Blan I live in a small town called Franklin Grove, with a population of about 1000 people. We recently moved up here from Joliet; to start a church in our community and we've had the opportunity to see God move on countless occasions. Watching people around us grow closer to the Lord and living lives with purpose and enthusiasm is one of our greatest joys. I am so glad to be able to contribute to SVCA and their mission to reach students in a way that glorifies Jesus Christ. With the way things are going in the world around us, there are seemingly less and less places for our children to find steady footing. Confusion and insecurities are at an all-time high in our society. This can leave our sons and daughters in a vulnerable and dangerous place where their minds become the battlefield. Having a school that stands firmly on biblical truth with a commitment to protecting our children, and their future is a necessity in today's world, ensuring that they grow up with strong moral foundations and the guidance needed to navigate life's challenges. I am honored to be a part of your children's lives and I am committed to providing them with a safe, strong and empowering learning experience that's rooted in the word of God.
