

My name is Sarah Kirchhoff. I am so excited to teach this year's 3rd and 4th-grade students!

After graduating from Concordia University Chicago with a Bachelor of Arts in English, I began my mission to find where God wanted me to be. I knew that teaching at Sauk Valley Christian Academy was the right choice because it would allow me to share the deepest part of my identity with my students -- my faith. I plan to teach by encouraging them to be their best in education and cheering them on to know and love God.

Some fun facts about myself: I have an 18-month-old son who is obsessed with anything related to the moon, I rather read a book than watch a movie any day, and in my free time I love to thrift.
