

Hello! My name is Brenna Book. My husband Marc and I have been married for sixteen years and have three amazing kids together: Noah, Skylar and Zoe.

Currently I am attending Sauk Valley Community College and close to finishing my Associate of Applied Science degree in Early Childhood Education.

I have been going to church for as long as I can remember and gave my heart to Jesus while in children's church when I was around the age of 8.

Teaching has always run through my veins. I have worked for many years in the daycare field and ran my own home daycare for seven and a half years. For the past three years I have worked in Sterling Public Schools with preschoolers and kindergarteners.

Working in an environment filled with the love of Jesus and being able to share that love and His good news with the children is what I love most about working at SVCA. I cannot wait to see what God has in store for me on this new adventure!
